On Haleigh - both Ginette and Suzanne say Haleigh is very close to the trailer - but they haven't given me any physical location descriptions other than "near water" - closest clues are the beige/white trailer. I got some photos of two trailers on Dunns Creek Rd - one is property of Christopher Stuart - a registered SO - the other trailer is beige/white trailer right next door - this trailer has a large well-head in the front yard. I don't think it would hurt to have LE check both places with dogs and look inside that well. I don't know best way to get someone there to pay any attention and actually do this? Photos attached.

On Kronk - is it possible that Kronk, knowing he was on the hook for back support, may have abducted Caylee for a ransom?

Luke
